UNIFORM, FEES AND CONCERTS

Uniforms- At Your Talent Team, we believe everyone deserves the chance to dance. We do not have a compulsory uniform as such but optional YTT uniforms to feel and look the part. We ask all dances wear plain black active wear or YTT uniform and correct shoes for all of their classes.

Term Fees- Term fees are invoiced and emailed out using "Class Manager" at the conclusion of Week 1 each term. From here families have two weeks to pay their account. Those who leave accounts outstanding will have classes put on hold until the accounts can be settled. We do offer payment plans but these must be requested prior to the due date.

YTT Performances- We love to put on our very own concerts to celebrate ALL of our YTT dancers growth and success. All concert details will be posted when confirmed.

WHY WE USE BAND APP?

Band is a communication app that allows us to stay connected and share all the important news and updates related to your child's dance classes and activities. At YTT, we use Band App to provide you with studio updates, class information, video recordings of dance concert items, and music for at-home practices. It's a convenient and secure way for you to stay in the loop and support your child's dance journey.

Why Should You Join Band?

By joining Band, you'll have access to:

- Studio updates and announcements
- Class information and schedules
- Video and photo updates from your child's classes
- Class music and choreography for at-home practice

Parents and students who own a device can join Band, and it can be accessed on smartphones, tablets, and computers. Rest assured that Band is a safe and private space, accessible only to those enrolled in each class, and it will be monitored by our admin team to ensure a safe and enjoyable online experience.
